Grades and Grading Procedure:

Based on the performance in a registered course, each student is awarded a final letter grade at the end of the semester. The letter grades and the corresponding grade points are as follows:

Grade	Grade Points	Remarks
S	10	Outstanding
A	9	Excellent
B	8	Very Good
C	7	Good
D	6	Average
E	4	Marginal
U	0	Unsuccessful
W	0	Failure due to insufficient attendance

Letter grade U or W implies failure in the course.

The Grade Point Average (GPA) will be calculated according to the formula:

$$\text{GPA or SGPA} = \frac{\sum(C_i \times GP_i)}{\sum C_i}$$

where C_i and GP_i are number of credits and the grade point obtained in the an i^{th} course taken during the semester, including those in which the student has secured U and W grades.

In the case of cumulative grade point average (CGPA), the credits C_i of all the courses taken in all the semesters until that point in time are considered in the above formula.

Abbreviations for Course category:
